## Let's PRAY!

Thank God for all His goodness as we pray for these friends and issues:

Doris and Trevor's niece and her family, that they will have peace. Mick and Liz's relative, that his cancer treatment will be effective. Zena as she enjoys her coach holiday, pray she will be kept well Maggie and David Wackett, Mark Jeffery and Pauline Bull, all struggling with health problems. Graham and Val's granddaughter who has an MRI on the 28th September and several other hospital appointments.

Pray for our Government as they make decisions regarding Covid19 that they will be able to balance all the different considerations and the NHS as they cope with Covid19 along with the usual difficulties over the winter months. Pray for those people who may have to be shielded again over the winter, that they will find ways to protect their mental health while having to stay isolated.

Give thanks again for our NHS and remember those situations world wide where many less fortunate are suffering.
