## Can you help?

Over the next couple of weeks we have a few opportunities to connect with our local primary schools.

It would be great if we have a bunch of willing volunteers to help and support those of us leading.

### 1st July

#### Heycroft

Year 1 visit on the 1st July **9:00 till 11:45**

We have two classes in year 1 coming to visit our church.

They will complete a treasure hunt form and ask us questions at each station and then together create a piece of art for things which they are thankful for.

### Edwards Hall school fete

**8th July 15:00 to 20:00.**

We are running a stall with crafts and activities for the children (and adults).

We're looking for volunteers who can help for an hour or two.

## FOR OUR PRAYER TIMES

**Let's be persistent in our prayers.** Pray hard and long. Pray for your brothers and sisters. Keep your eyes open. Keep each other's spirits up so that no one falls behind or drops out.

*(Ephesians 6:18-The Message)*

Our prayers may be awkward, our attempts may be feeble but, since the power of prayer is in the One who hears it and not in the one who says it, our prayers do make a difference

*(Max Lucado).*

**Here at EBC** we have been saddened this week to hear that Ann H passed away on Tuesday afternoon. Pray at this time for her family as they grieve for her. Also continue to pray for those who are unwell, in body or spirit, that they may rest in God's care as they receive treatment and support. Pray for Christine and Kim as they are baptised today, and for Sami as she prepares for her baptism in August, for encouragement and protection. Thank God for the many answers to prayer we have, and thank Him for all the services and other events we are able to have in our church.

**A World In Balance?** By early next year it is expected that the world's population will exceed 8 billion, more than three times what it was at the end of the 2nd World War and to feed all those people food production has had to try to keep pace. This increasing size of the world's population, climate change, plastic pollution, wars and famine caused by drought, flood and inability to purchase food by poorer countries, are all affecting the balance of our world. In recent months, the conflict in Ukraine is having a knock-on effect on food supply around the world, especially in the poorer regions that have long suffered from food insecurity and famine. Russia exports more wheat than any other country in the world, while Ukraine is also one of the world's largest exporters. The two countries are also leading exporters of other grains, seeds and vegetable oils, as well as much needed fertilisers. Food prices are rising beyond the means of the poorest, among them many thousands of our brothers and sisters.

**Pray that the Lord, who provides even for the birds**

**(Matthew 6:26) will provide for these needy people.**

Pray for the many families and individuals who are facing financial and accommodation difficulties at this time, and are suffering from increased prices on food, fuel and other bills. Pray about the continuing problems relating to Covid 19, that we will all continue to be careful as we now live with the disease around us, and that vaccinations will continue to be made available to limit the spread of the disease and the severity of it, including the effects of long Covid.

### Prayer Warriors

We started Prayer Warriors, asking people to pray for the life of the church during our time of searching for a new minister and seeking God's call on the fellowship of EBC during the last two years. This involves receiving email requests, praying at home and then sharing how God has spoken through your prayers with the other Prayer Warriors to pray and discern. Martin and I would like to continue this as we feel so strongly that prayer is the foundation of all we do for the community and fellowship of East-wood, and how God has blessed us through these faithful prayers and continues to do so. If anyone would like to be included in this ministry as we seek God in prayer in this new season please let me know. Thanks. Jo x

Our thanks to Gareth and Christine Evans for today's flowers
